Margaret River

Semillon & Seafood

7TH & 8TH FEBRUARY 2009

*H*and in hand along the sand did fish and bottle wander.

With spirits free, they hiked toward a tree on hilltop yonder.

'Why Semillon dear let's rest right here' said fish but o, alas,

We fried him up and poured his friend into a waiting glass.

Enjoy the finest selection of Australia's
Semillon and Semillon blends.

Feast on a selection of Western Australia's
freshest seafood expertly prepared by
Amberley Head Chef Jason Davenport.

Be entertained by live music from
Clare Bowditch, Sambalicious and guest DJ.

Book now for the 2009 Amberley
Semillon and Seafood event.

Clare
Bowditch

For Clare Bowditch, songwriting started off as a very private affair. Childhood songs grew into young adult songs about all those big unanswerable questions that only make sense when you sing them (in your bedroom). It wasn't until one day, when they numbered in the hundreds, it occurred to her that she didn't know what to do with them. Clare now has three highly acclaimed albums under her belt and picked up the 2006 Best Female Artist ARIA along the way. After recently touring Europe and residing in Berlin, Clare will be bringing her warm, heartfelt songs and stories to Amberley in February.

Sambalicious

Since 2004, Sambalicious have earned the reputation of being Australia's hottest Brazilian party band. Playing everything from sultry Bossa Novas to funky Samba-rock & reggae, Sambalicious will have you on your feet in no time.
